Description

Perched high above a palm tree-studded valley and surrounded by rolling grassy hills, an impressive mountain estate offers the peace and quiet you've been craving. Strategically placed terraces and hammocks offer a choice of vantage points to watch the sunset stain your valley vista golden red every evening. Welcome to your private paradise.

The spacious family home has been designed to emphasize Costa Rica's natural beauty. Wooden vaulted ceilings add warmth throughout the entire interior and complement the polished stone floors. The estate is being sold fully furnished, including a beautiful hand-crafted dining table and stylish wicker chandelier.

Enjoy a spa-like experience every morning in the master ensuite. It was designed to match the Zen atmosphere of luxury spa resorts with a stone mosaic deep soak tub and twin tree root mirrors above the dual vanity. Enjoy valley views from the comfort of your own bathtub every single day.

The lagoon pool with sun loungers is the perfect place to enjoy the warmth of the Costa Rican weather. After a day spent soaking in the pool, retire to the large gazebo for BBQs and wet bar refreshments. The pool and gazebo separate the main house from the guest house, providing both privacy and quiet.

Nestled amongst a screen of trees, the guest house is a stand-alone structure, perfect for renting out for passive income. The guest house features the same high-quality finishes as the main house. It has the atmosphere of a mountain treehouse with all the warmth of a family
