### Description

Welcome to the pinnacle of coastal living in the highly sought-after Lagunas neighborhood. Prepare to embark on a journey of discovery as you find your dream home nestled within this exceptional gated residence. With two bedrooms, two baths, and awe-inspiring sunset ocean views, this property is a true gem that will capture your heart year-round.

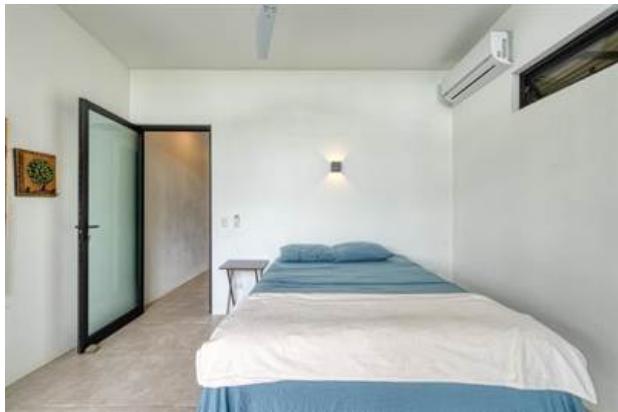

Perched majestically atop a hill, this home offers an uninterrupted vista that stretches across the entire coastline, treating you to breathtaking views that extend all the way to the enchanting Manuel Antonio Islands. Each day, immerse yourself in the splendor of privacy, surrounded only by the serene embrace of lush, ancient jungle. Here, there are no neighboring homes within sight, allowing you to revel in tranquility and immerse yourself in the natural beauty that surrounds you.

Beyond its remarkable features, this home presents an exciting opportunity for expansion. With available building areas nearby, you have the option to add a third or fourth bedroom, customizing the space to perfectly fit your needs. Across the private drive, a separate building area awaits, offering the potential for a secluded cabin that could serve as a guesthouse or generate future rental income.

Seize this rare and coveted chance to own one of the last remaining sunset ocean view homes in the southern zone, all at a price significantly below the million-dollar mark. Don't let this golden opportunity slip through your fingers. Embrace the ultimate coastal lifestyle and make this extraordinary property your very own. Create memories that will last a lifetime as you bask in the beauty of stunning sunsets and savor the privileged serenity of Lagunas. Discover a

life of bliss and make this remarkable property yours today.
