### Description

Discover Serene Mountain and Pacific Ocean Views in Your Own Private Oasis

Nestled amidst the breathtaking natural beauty of the region, this magnificent property offers not only a place to call home but a lifestyle of tranquility and comfort. With sweeping views of the majestic mountains and the serene Pacific, it's a residence that harmonizes with the surrounding landscape in perfect unity.

The main house, a testament to architectural elegance, features three generously proportioned bedrooms and three and a half immaculately designed baths. As you step inside, your gaze will be drawn upward to the vaulted ceilings crafted from exquisite exotic hardwoods, a true testament to the craftsmanship that went into every detail of this home.

The first floor presents an open living floor plan that seamlessly integrates the living spaces. Here, you'll find a well-appointed kitchen that will delight any culinary enthusiast. Practicality meets aesthetics with a dedicated laundry area and a convenient storage space. The first floor also hosts a guest bedroom, perfect for accommodating friends or family, and an office area that provides an inspiring backdrop for remote work.

Venture to the upper floor, where you'll be greeted by a large deck area that offers breathtaking panoramic views overlooking the inviting pool. This elevated vantage point becomes your personal sanctuary for absorbing the natural beauty that surrounds you. Additionally, two spacious master suites grace this level, each designed with your

utmost comfort and relaxation in mind.

Spanning over half an acre of meticulously maintained grounds, the property boasts a cement driveway that leads you to the main house, ensuring convenient access for you and your guests.

Nestled on the lower part of the property, you'll find two charming additional houses. The first, a three-bedroom, one-bathroom house, serves as the home for the caretaker and their family, ensuring the property is well looked after. The second house is a cozy studio with all-new furnishings, currently serving as a honeymoon suite for guests seeking a romantic escape. Below this studio, a spacious storage area and a covered parking area for two cars add to the property's practicality.

The owners have spared no effort in maintaining this property, making it a rare turnkey gem in the real estate market. There's little to do here but move in, relax, and embrace the lifestyle you've been dreaming of.

Don't miss the opportunity to make this remarkable property your own. Contact us today to arrange a private viewing and experience firsthand the serene mountain and Pacific views that could soon become your everyday reality.
