Description

One of a kind, modern, contemporary, and incredibly unique home strategically positioned on a high bluff with just over 6.5 acres overlooking the Pacific ocean along the south Pacific just 20 minutes south of Quepos and Manuel Antonio that borders a reserve and release area for the Scarlet Macaws. There is an additional parcel of land available for sale to increase the size of this wonderful estate property. The comfortable modern design by Andres Morales comes with marble floors, high quality fixtures, illumination and sound throughout. A marble staircase leads you up to the spectacular master bedroom which comes with his and her individual bathroom and walk-in closet with a shared double headed shower basin with a Jacuzzi tub backing the king sized bed. The entire home has incredible sea and mountain views. There is an infinity edge pool that wraps around the entire circular front of the home. Off of the Main living area is an additional bedroom with a king sized bed directly behind is the shower and ensuite wet bar area. There are his and her bathrooms also and plenty of closet space. The third bedroom with ensuite is located on the Mountain view side of the Villa. In addition to the main house, there is a 2 bedroom guesthouse. Caretakers home. The property has a heliport, all with incredible ocean views. The Glass House is surrounded by fruit trees and flora which encourage the wildlife such as sloths and monkeys, macaws and other wildlife and birds in this tropical zone.
