Description

Indulge in a world of natural splendor and sustainable living at Sea Ridge Reserve, a one-of-a-kind eco-preserve located in the breathtaking South Pacific region of Costa Rica. This unique property spans nearly a thousand acres of diverse beauty and offers a rare chance to live in harmony with nature in one of the world's most biologically diverse environments.

Soak in the breathtaking panoramic views of the coast, whale's tail reef, and waterfalls from the peak of the coastal mountain range. The 50k sq. ft. four-story main house serves as the centerpiece of the property, offering endless possibilities as an educational campus for conservation studies. With guest and staff housing, tranquil pools, soothing fountains, and lush gardens, this is the perfect place to create a world-class education and wellness center.

Sea Ridge Reserve boasts extensive water sovereignty, providing the opportunity for full water and food production independence, and even the potential for hydro-electric power. Embrace a life of sustainability, surrounded by the beauty of the South Pacific coast. And for those seeking even more land to preserve, an additional 1,100 acres is available.

Don't miss this once-in-a-lifetime opportunity to create a model of sustainability and conservation in one of the world's most breathtaking environments. Invest in Sea Ridge Reserve today!
